

Map to Useful Plants Nursery

Turn onto Camp Elliott Road. Go about one mile, passing Stone Mountain School, to the end of Camp Elliott Road. When you pass Stone Mountain School, please reduce your speed to 15 mph as you cross our neighbor's pasture.

At the end of the pavement where the road forks, veer left onto Another Way and into Earthaven Ecovillage. The speed limit in Earthaven is 10 mph.

Continue on Another Way, crossing the creek twice. The road will turn left after the second crossing.

The nursery will be on your right, before the third creek crossing.
